

As an over-the-road owner operator, the services of XM Radio are essential for safe operations. In no way shape, form or fashion should XM Radio be changed to the whims of some Capitol Hill misinformed representatives backed by the lobbyists of National Association of Broadcasters (NAB). We pay for these services and it should not be up to the National Association of Broadcasters to dictate what we can and can not hear. Please for the sake of safety and on-time delivery of our nations goods reject the National Association of Broadcasters (NAB) petition 04-160.
